

2009 BARTLESVILLE BASSMASTERS YOUTH FISHING TOURNAMENT

JUNE 7, 2009

***** Free Fishing Weekend *****

We would like to note that the Oklahoma Department of Wildlife does not require an Adult(s) to have a Fishing License on June 6th and 7th.

The Bartlesville Bassmasters wants to ensure that the youth in the Bartlesville area get the opportunity to enjoy the incredible fishing resources found in the state of Oklahoma. Pre-registration is required to insure each youth receives a tournament T-shirt. All kids must be accompanied by an adult to participate. Throughout the year, the club promotes various youth programs such as an annual youth tournament and Casting Kids contests. Our goal is to get kids involved in the outdoors, and be part of an event that will introduce them to the sport of fishing, and sportsmanship while having fun.
